Request for Quotation

Customer Portal Discovery and Roadmap

RFQ Reference: HCC-RFQ-2026-19

Closing time: 2:00 pm AEDT, Wednesday 28 October 2026

Quotations must be lodged through the Council's eProcurement portal.

1. Background

1.1 The Council receives 180,000 customer requests each year, two thirds of them by phone. It launched an online portal in 2024 and now wants to extend it to planning, rates and waste services.

1.2 The Council is seeking a supplier to complete discovery, service design and a three-year roadmap for the next phase of its customer portal.

2. Requirements

R1	The supplier must engage at least 60 residents in research, including people with disability and culturally and linguistically diverse residents.
R2	The supplier must assess the current portal and CRM integration and identify technical debt.
R3	The supplier must deliver a prioritised three-year roadmap with cost estimates.
R4	All designs must meet WCAG 2.2 Level AA.
R5	The supplier should demonstrate experience delivering customer portals for local government.

3. Evaluation criteria

Criterion	Weighting
Understanding and approach	40%
