

Southern Rivers Water Authority

Addendum 1 to RFQ SRWA-RFQ-2026-031

Cloud Migration and Cyber Security Uplift Program

Issued: 11 October 2026

This addendum forms part of the RFQ. Respondents must read it with the RFQ.

1. The RFQ closing time is extended to 2:00 pm AEDT, Friday 30 October 2026.

M3	All personnel with access to Authority systems must hold a current Australian Government Baseline security clearance at contract commencement.
M11	The supplier must provide a 24/7 incident response capability during migration cut-over windows.

4. Desirable requirement D6 is deleted.

5. The response must not exceed 35 A4 pages, excluding the returnable schedules, CVs and case study appendices.
